# 2026 EVENTS OVERVIEW

Over the last nine years, The Well CDC has been investing into the Middlebury neighborhood through Restoring Housing, Creating Economy, and Placemaking initiatives. Our mission is to invest in people through the built environment and seek a holistic approach to address systemic issues.

## Since our start in 2016, The Well CDC has:

- Launched 6 core programs that support our holistic approach to community development
- Invested \$25.6 Million into the Middlebury neighborhood including
  - \$15.5 Million into construction & development
  - \$10.1 Million into holistic programming initiatives
- Own/activated over 80,000 sq. ft. of commercial space
- Grown to a staff team of 32 employees
- Purchased 110+ property units and have 100+ Housing tenants
- Launched Akron's first shared use commercial kitchen, supporting 100+ local food entrepreneurs
- Provide year-round programming at our neighborhood elementary school

We want to continue that momentum in 2026 as we celebrate our **10 Year Anniversary** and need your support! By sponsoring an event hosted by The Well CDC, you are not just supporting our events, **but are investing in the present and future of the Middlebury neighborhood**. Your partnership helps local food businesses grow, supports women in finding career path jobs, and provides spaces of belonging and connectivity in our neighborhood all while aligning your brand with a trusted organization in Akron.

**In 2025 we raised \$61,000 in Sponsorship and with your help in 2026 our goal is to raise \$100,000!**
